Autonomous

College with Potential for Excellence

Financial Support to the Faculties Participating in Conference, Seminar and Workshop

This is to certify that the management adopted policy extending financial support to the faculty members in their academic and research-oriented work

The institution has strategic management plan through which the management has extended financial support to the teachers and students for their educational and for day to day academic and other co-curricular activities. In the budget expenditure the college has here marked a fund exclusively for faculty who are participating in various conferences, workshops and seminars besides the college also extending financial support to the faculty who are pursuing their PhD program, FDP program and participation in the orientation program.

The faculty members who are participating in the seminar conferences are entitled for special leaves/OOD, registration fee and also travelling allowances. The faculties also entitled for receiving special allowances in attending research activities including their PhD course work.
