#### POLICY FOR DIVYANGJAN

The Constitution of India ensures equality, freedom, justice and dignity of all individuals and implicitly mandates an inclusive society for all, including persons with disabilities. In the recent years, there have been vast and positive changes in the perception of the society towards differently-abled persons. It has been realized that a majority of persons with disabilities can lead a better quality of life if they have equal opportunities and effective access to rehabilitation measures.

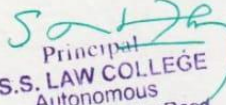

Rights of Persons with Disabilities Act, 2016, prohibit discrimination against individuals with physical and mental disabilities. JSSLC is against all kinds of discrimination on any grounds including disability. The Institute aims to promote an inclusive learning, teaching and working environment in which specially -abled students and staff are not treated unfavourably.
