

Visit to Vidhana Soudha to observe the Budget Session

We visited Vidhana Soudha to observe the proceedings of the budget sessions on 20th February, 2024 as part of an academic activity.

Before attending the session, we had a small question - answer and instructions session in the speaker's office. It included discussions about constitution, commissions, state assembly, and we were strictly instructed about the visitors' rules. The timing of the session we attended was from 12 pm to 1:30 pm. During the Vidhana Sabha session, the discussions that were going on were mainly about the outlay of the Karnataka state budget that was presented by honorable Chief Minister of Karnataka, Mr. Siddaramaiah on Friday [16/2/2024].

Opposition ministers were opposing certain aspects of the budget.

CM Siddaramaiah defended their acquisitions by comparing the outlay of the budget with the budget that was presented by the opposition party during their reign. It was an informative session and a great experience.

After the session concluded, we spoke to honorable speaker U.T. Khader Fareed for some time, outside the session hall.

Post lunch, we attended the question hour session where the MLA's of both the parties' asked questions regarding the budget from 3pm to 4pm. Later we had a talk session with the honorable speaker and he asked us about our views and experience of viewing the day's Vidhana Sabha session. We shared our experiences, expressed our gratitude for providing us this opportunity to witness the Vidhana Sabha.
