# International Conference on Revitalizing Sustainable Development Goals for a Resilient Future

## CALL FOR PAPERS

We invite participants and presenters from diverse fields, including university faculty across all disciplines, students, NGOs, think tanks, educators, and advocates. The focus of the event will be on the Sustainable Development Goals (SDGs), specifically:

- SDG 7: Affordable and Clean Energy
- SDG 11: Sustainable Cities and Communities
- SDG 13: Climate Action

We welcome contributions that explore innovative solutions, research findings, and best practices related to these critical areas.

## THEMES

- Strategies for creating cities and communities that are inclusive, safe, and resilient.
- Immediate and long-term strategies for addressing and mitigating climate change impacts.
- Approaches to improving access to affordable, reliable, and sustainable energy sources.
- The impact of green jobs on economic growth and environmental sustainability.
- The role of various stakeholders in advancing sustainable development goals.
- Strategies for generating employment opportunities through green development initiatives.
